

## Holiday lights at Buckley

November 16, 2007

JERRY McBRIDE/Herald

Jim Metz, left, and Steve List, Durango Fire & Res cue Authority firefighters, use a cherry picker to hang Christmas lights on a tall fir tree in Buckley Park on Thursday. There are 120 strings with LED bulbs, donated by La Plata Elec tric Association, the Durango Chamber of Commerce and the Durango Area Association of Realtors. Dillon Crane supplied the crane at a reduced cost. The tree will be lit the day after Thanksgiving.
