

Helping Home Ownership Happen Online Benefit

This year, for the FIRST TIME EVER, The Durango Area Association of REALTORS working in tandem with CARHOF is offering an online benefit to help raise money for local non-profit affordable housing charities. CARHOF, a 501(c)3 charitable foundation was created for the purpose of promoting safe, decent and affordable housing for all in Colorado. CARHOF collects interest on escrow accounts and donates the money to nonprofit and public agencies that help low to moderate income families with their housing needs. This year funds have been lacking due to a shortfall of accrued interest in CARHOF trust accounts. DAAR's Housing Opportunity Committee has launched an online benefit to help fill in the gaps and we hope you will get in on the spirit of giving to our wonderful community. Remember... Bid High AND Often.
